Capitalized terms used in this document are defined in the Glossary.

### **2. USAGE RIGHTS AND RESTRICTIONS**

#### **2.1 Grant of Rights.**

Qualtrics grants to Partner a non-exclusive and non-transferable right to permit End Customer to use the Cloud Service (including its implementation and configuration), Cloud Materials and Documentation solely for End Customer's and its Affiliates' internal business operations. Partner may permit End Customer to use the Cloud Service world-wide except from countries or regions where such use is prohibited by Export Laws or as set forth in an Order Form. Permitted uses and restrictions of the Cloud Service also apply to Cloud Materials and Documentation. Partner shall not use the Cloud Service, Cloud Materials, or Documentation for its own internal business operations.

#### **2.5 Suspension of Cloud Service.**

Qualtrics may suspend or limit use of the Cloud Service if continued use may result in material harm to the Cloud Service or its users. Qualtrics will promptly notify Partner or End Customer of the suspension or limitation. Qualtrics will limit a suspension or limitation in time and scope as reasonably possible under the circumstances.

#### **2.6 Third Party Web Services.**

Via the Cloud Service, Partner or End Customer may access integrations with web services made available by third parties and subject to terms and conditions with those third parties. These third party web services are not part of the Cloud Service and the Agreement does not apply to them.

Modifications may include optional new features for the Cloud Service, which End Customer may use subject to the then-current Supplement and Documentation.
  - (b) If a modification materially degrades the overall functionality of the Cloud Service, Partner may terminate its subscriptions to the affected Cloud Service by providing written notice to Qualtrics within 30 days after receipt of Qualtrics' informational notice and receive a refund as set forth in Section 6.3.

- (c) After the end of the Agreement, Qualtrics will delete the Customer Data remaining on servers hosting the Cloud Service unless applicable law requires retention. Retained data is subject to the confidentiality provisions of the Agreement.

- (d) In the event of third party legal proceedings relating to the Customer Data, Qualtrics will cooperate with Partner and comply with applicable law (both at Partner's expense) with respect to handling of the Customer Data.

### 5.1 Fees and Payment.

Partner will pay fees as stated in the Order Form. If Partner does not pay fees in accordance with the terms of the Agreement, then, after prior written notice, Qualtrics may suspend End Customer's use of the Cloud Service until payment is made. Any fees not paid when due shall accrue interest at the maximum legal rate. Qualtrics may issue an invoice and collect payment without a corresponding purchase order. ### 6.1 Term.

The Subscription Term is as stated in the Order Form.

- (b) Partner's sole and exclusive remedy for Qualtrics' breach of the SLA is the issuance of a credit in the amount described in the SLA. Partner will follow Qualtrics' posted credit claim procedure. When the validity of the service credit is confirmed by Qualtrics in writing (email permitted), Partner may apply the credit to a future invoice for the Cloud Service or request a refund for the amount of the credit if no future invoice is due.
- (c) In the event Qualtrics fails to meet the SLA (i) for four consecutive months, or (ii) for five or more months during any twelve months period, or (iii) at a system availability level of at least 95% for one calendar month, Partner may terminate its subscriptions for the affected Cloud Service by providing Qualtrics with written notice within 30 days after the failure and receive a refund as set forth in Section 6.3.

Partner agrees that it is not relying on delivery of future functionality, public comments or advertising of Qualtrics or product roadmaps in obtaining subscriptions for any Cloud Service.

8. **THIRD PARTY CLAIMS**

8.1 **Claims Brought Against Partner.**

- (a) Qualtrics will defend and indemnify (as set forth in the next sentence) Partner against claims brought against Partner and its Affiliates by any third party alleging that End Customer's or its Affiliates' use of the Cloud Service infringes or misappropriates a patent claim, copyright, or trade secret right. Qualtrics will indemnify Partner against all damages finally awarded against Partner (or the amount of any settlement Qualtrics enters into) with respect to these claims.
- (b) Qualtrics' obligations under Section 8.1 will not apply if the claim results from (i) use of the Cloud Service not permitted under the Agreement, (ii) use of the Cloud Service in conjunction with any product or service not provided by Qualtrics, or (iii) use of the Cloud Service provided for no fee.

- (c) If a third party makes a claim or in Qualtrics' reasonable opinion is likely to make such a claim, Qualtrics may at its sole option and expense (i) procure for End Customer the right to continue using the Cloud Service under the terms of the Agreement, or (ii) replace or modify the Cloud Service to be non-infringing without a material decrease in functionality. If these options are not reasonably available, Qualtrics or Partner may terminate Partner's subscription to the affected Cloud Service upon written notice to the other and Partner may receive a refund as set forth in Section 6.3.

## 8.2 **Claims Brought Against Qualtrics.**

Partner will, (a) or will cause End Customer to, defend and indemnify (as set forth in the next sentence) Qualtrics against claims brought against Qualtrics and its Affiliates and subcontractors by any third party related to Customer Data and (b) defend and indemnify (as set forth in the next sentence) Qualtrics against claims brought against Qualtrics and its Affiliates and subcontractors by End Customer or its Affiliates arising from Partner's breach of the Agreement.

The Indemnified Party will reasonably cooperate in the defense and may appear (at its own expense) through counsel reasonably acceptable to the Indemnifying Party subject to Section 8.3(b).
- (b) The Indemnifying Party will have the right to fully control the defense.
- (c) Any settlement of a claim will not include a financial or specific performance obligation on, or admission of liability by, the Indemnified Party.
- (d) The Indemnifying Party's obligations will not apply if the Indemnified Party's failure to timely notify the Indemnifying Party in writing of any such claim prejudices the Indemnifying Party.

## 8.4 **Exclusive Remedy.**

The provisions of Section 8 state the sole, exclusive, and entire liability of the parties and their Affiliates, Business Partners and subcontractors to the other party, and is the other party's sole remedy, with respect to covered third party claims and to the infringement or misappropriation of third party intellectual property rights.

The receiving party and its Representatives shall use commercially reasonable efforts to disclose only that portion of the Confidential Information that is legally requested to be disclosed and shall request that all Confidential Information that is so disclosed is accorded confidential treatment.

12. **MINIMUM TERMS**

12.1 **Minimum Terms.**

End Customer must have executed an end user agreement with respect to its purchase of the Cloud Service that is binding on End Customer under applicable laws and regulations and contains terms not materially less protective of Qualtrics than the Agreement. Partner will not make any representations or warranties regarding the functionality or performance of the Cloud Service that conflict with the Agreement.

12.2 **Enforcement of Rights.**

If any third party with which Partner is engaged is accessing, marketing or, selling, the Cloud Service without authorization, Partner will cooperate with Qualtrics in enforcement and protection of Qualtrics' rights. At the request of Qualtrics, Partner will temporarily stop selling the Cloud Service to any such third party unless and until such unauthorized activity is resolved.

13. **Compliance.**

13.1 **Compliance with Laws, FCPA and Qualtrics Partner Code of Conduct.**

- (a) Partner shall, and shall ensure that all agents, subcontractors, employees, associates, representatives, and any other persons acting on its behalf, conduct its operations at all times in strict compliance with all applicable existing and future laws, rules and regulations, including the US Foreign Corrupt Practices Act (FCPA) and Qualtrics' Partner Code of Conduct. A breach of the foregoing is an incurable material breach.
- (b) Partner shall take no action which would be expected to subject Qualtrics to penalties under German, United States, or territory laws, regulations, or administrative requirements.
- (c) Partner shall not obtain on Qualtrics' behalf or provide to Qualtrics any information that is not legally available in the applicable territory or that is procurement-sensitive, proprietary, or classified, if there is reason to believe that possession of such information is unauthorized, illegal, or unethical.

13.2 **Prohibited Parties/Prohibited Payments.**

- (a) Partner shall not pay or tender directly or indirectly any commission or finders or referral fee to any firm, organization, or person in connection with its activities on behalf of Qualtrics.
- (b) Partner shall not make, offer, or promise any payments or gifts directly or indirectly to any employee of the End Customer or its Affiliates. Any business entertainment offered to the End Customer or its Affiliates must comply with the spirit and letter of the limits established in the Qualtrics Partner Code of Conduct.
- (c) Partner shall not pay or offer or agree to pay any political contribution or donation in respect of any business for which it provides services to Qualtrics.
- (d) Partner represents and warrants to Qualtrics that:
  - (1) Partner and its agents, subcontractors, employees, associates, representatives, and any other person acting on its behalf have not directly or indirectly paid, offered, or promised to pay, or authorized the payment of, and will not directly or indirectly pay, offer, or promise to pay, or authorize the payment of, any monies or gifts or anything of value to any employee or representative of a customer or prospect, government official or employee, political party official or candidate, or officer or employee of any public international organization, or an immediate family member of such persons ("**Prohibited Parties**") for the purpose of influencing their acts or decisions in order to secure or retain business on behalf of Qualtrics ("**Prohibited Payments**"); and
  - (2) neither Partner, nor any of its agents, subcontractors, employees, associates, representatives, direct or indirect owners, or any other person acting on its behalf or an immediate family member of such persons, was a Prohibited Party during the period from 90 days prior to the signing of the Agreement, is currently a Prohibited Party, or will become a Prohibited Party during the term of the Agreement; and in the event that during the term of the Agreement there is a change in the information contained in this paragraph, Partner shall make

immediate disclosure to Qualtrics, and Qualtrics may immediately terminate the Agreement by written notice.

13.3 **Conviction.**

Partner represents and warrants that it has not been convicted of or pleaded guilty to an offense involving fraud, corruption, or other dishonest conduct, and that it is not now listed by any government agency as debarred or suspended or proposed for suspension or debarment or otherwise ineligible for government procurement programs.

13.4 **Changes in Ownership.**

Partner shall promptly advise Qualtrics of any change in the financial or ownership interests in Partner. If, in the opinion of Qualtrics, such change substantially affects the financial or ownership interests in Partner, Qualtrics may immediately terminate the Agreement by written notice.

13.5 **Annual Certification.**

Partner shall, at the request of Qualtrics, and at least annually, certify that it has not, and to its knowledge neither has any other person, including but not limited to every employee, agent, subcontractor, associate and representative of Partner, made, offered to make, agreed to make or authorized the making of any Prohibited Payments. Partner further agrees that should it learn of or have reason to know of any such payment, offer, agreement or authorization to make a Prohibited Payment in connection with Qualtrics' business, it will immediately advise Qualtrics of such knowledge or suspicion.

13.6 **Certification.**

Partner certifies that neither it nor its employees or subcontractors are members of management or in a position to influence decisions related to work performed under the Agreement with respect to the End Customer or its Affiliates.

14. **Record Retention and Audit.**

14.1 **Record Retention.**

- (a) With regard to business transactions covered by any part of the Agreement, Partner shall retain any records for a period of 10 years starting on 1st of January of the year following the year during which the data were transmitted or otherwise transferred, or for the minimum period prescribed by applicable law, whichever is longer. Partner shall maintain accurate and transparent books, records and accounts in accordance with record retention policies sufficient to accurately account for transactions and to demonstrate compliance with applicable laws and regulations.
- (b) Financial books, records, and statements shall be kept in reasonable detail and accuracy and fairly reflect the disposition of assets and transactions. The contents of the books and records and related supporting documentation should be sufficient such that a third party could assess the business purpose of the transaction, including (as applicable) the identification of any third parties involved. Partner shall accurately document all transactions related to the Agreement and prevent side agreements contradicting the terms of the Agreement and the commitments made by Partner towards Qualtrics, whether oral or written. If Partner becomes aware of any such side commitments, Partner shall promptly notify Qualtrics of such commitments in writing.

14.2 **General Audit.**

- (a) Qualtrics may once annually conduct an audit to verify the compliance of (1) Partner and/or (2) any affiliate of the Partner involved in the performance of obligations under any part of the Agreement, with the terms of the Agreement, including Qualtrics policies referenced by the Agreement, in particular Partner's compliance obligations. Notwithstanding the foregoing, if Qualtrics reasonably believes that a breach of the terms of the Agreement, the referenced policies, or in particular the compliance obligations has occurred or will most likely occur, Qualtrics may perform an audit.
- (b) The audit will be conducted by Qualtrics or its nominated independent expert. In choosing the expert, Qualtrics will take into account Partner's legitimate business interests. Qualtrics will bear the costs of the audit unless: (1) the expert establishes a breach by the Partner (in which case Partner must bear the costs), or (2) Partner does not fully or timely cooperate with reasonable requests relevant to the audit.

- (c) Qualtrics will provide one week's advance notice of an audit unless (1) Qualtrics reasonably believes that evidence to be reviewed will be compromised or (2) required by investigating authorities.
- (d) The audit will take place during normal business hours and Qualtrics will instruct its expert to conduct the audit in such a manner that it will not unreasonably interfere with Partner's business operations.
- (e) Partner shall make full disclosure to Qualtrics or its expert and ensure that (1) any Partner affiliate involved in the performance of obligations under any part of the Agreement and any of (2) Partner's representatives cooperate fully and provide information, grant viewing access to all necessary and useful documents and permit the making of copies of them. Financial records must be readily available for inspection during audits by Qualtrics or its expert. Partner also agrees to make its employees, officers, and directors involved in the performance of obligations under the Agreement available for meetings and interviews with Qualtrics or its expert for the audit. Partner shall provide appropriate workspace for the expert.
- (f) The expert will be bound in writing to confidentiality for the benefit of Qualtrics and the Partner. The expert will undertake not to disclose information to Qualtrics, except for the purpose of providing a report of the audit and, in case of a breach of any part of the Agreement, any information establishing such a breach.
- (g) Partner's confidential information disclosed during the audit will not be used by Qualtrics for any purpose other than to verify and prove if a breach of any part of the Agreement has occurred.
- (h) Partner shall include audit terms with its agreements with any third party used by Partner in connection with its activities under the Agreement (hereinafter "**Intermediary/ies**") that are materially as protective as the terms in this section. Furthermore, Partner shall make Qualtrics a third-party beneficiary to such audit terms with the right to enforce such provisions directly against the Intermediary at Qualtrics' sole discretion.
- (i) Qualtrics reserves the right to suspend new business with the Partner in the event of a lack of reasonable or timely cooperation by Partner and its representatives in case of an audit. Furthermore, Qualtrics may terminate the Agreement, and any or all other partnership agreements with the Partner if Partner does not cooperate with Qualtrics or its expert during an audit as outlined in this section.

#### 14.3 **Audits Related to Discounts.**

- (a) As part of an audit as described herein and for compliance purposes only, such as seeking assurance about the disposition of the financial benefit provided by a discount, Qualtrics may audit any documentation that identifies the dates of offering, sale, and delivery of Cloud Services, such as offers, invoices, payments, delivery orders, contracts and purchase orders by and between Partner and End Customer or Partner and an Intermediary. In connection to such audit, Partner shall provide on request to the compliance officer of Qualtrics or its parent information about margins anticipated on open opportunities or earned on closed opportunities.
- (b) If Partner is unable to provide the requested documentation because of confidentiality obligations owed to a customer or other applicable laws, including but not limited to relevant competition laws, whether arising by written contract or applicable law, Partner will promptly provide Qualtrics with written evidence not subject to those obligations. In addition, Partner will promptly and in writing seek the customer's consent to waive confidentiality restrictions to permit Qualtrics to conduct its audit as intended. If the customer refuses to grant that consent, Partner shall (1) provide Qualtrics with a copy of the waiver request and written proof of that refusal and (2) identify appropriate contacts at the customer with whom Qualtrics may elect to discuss the refusal. Qualtrics may seek other ways of assurance, such as a review of audited financial statements, profit and loss statement, and expense accounts.
- (c) Qualtrics recommends that Partner includes terms in the agreements with End Customer to seek the End Customer's waiver of confidentiality restrictions to permit Qualtrics to conduct its audit as intended.
- (d) If Partner requests discounts or pricing deviating from Qualtrics standard partner discount and pricing ("**Exceptional Discount**"), Partner shall provide accurate and truthful information relating to such request, as well as any available documents

evidencing the need for the Exceptional Discount request. Qualtrics' decision to offer any Exceptional Discount will be assessed on an individual basis, and will be based upon the truth, accuracy, and completeness of the documentation provided. Qualtrics may decide at any point, in its sole discretion, to reject the request for an Exceptional Discount. Both before and after any Exceptional Discount is granted, Partner shall inform Qualtrics immediately if any information relating to or underlying the Exceptional Discount request changes. By accepting an Exceptional Discount, Partner shall extend the Exceptional Discount to the customer in accordance with the Exceptional Discount request as approved by Qualtrics.

- (e) Qualtrics may audit any Exceptional Discount transactions in accordance with the terms of the audit rights set forth herein. Upon Qualtrics' request, Partner shall promptly provide Qualtrics or the expert with all relevant documentation to enable Qualtrics to verify that all information provided in support of an Exceptional Discount request was truthful and accurate. Such information may include but is not limited to offers, invoices, payments, delivery orders, contracts, and purchase orders by and between Partner and customer, or Partner and an Intermediary (the "**Exceptional Discount Documentation**"). Subject to applicable laws, including but not limited to relevant competition laws, Partner hereby waives any objection to (1) Qualtrics sharing Exceptional Discount Documentation directly with the End Customer, notwithstanding the terms of any agreement that would prohibit Qualtrics from doing so, and otherwise communicating (both orally and in writing) with the End Customer, as Qualtrics deems necessary and appropriate to complete its desired audit relevant to Exceptional Discounts and (2) the customer sharing information on the Exceptional Discount directly with Qualtrics. Qualtrics may invalidate an Exceptional Discount if in respect of such Exceptional Discount, Partner fails to comply with the requirements of this section.

- 2.1.2. This DPA applies to Personal Data processed by Qualtrics and its Subprocessors in connection with its provision of the Cloud Service.
- 2.1.3. This DPA does not apply to non-production environments of the Cloud Service if such environments are made available by Qualtrics. Customer shall not store Personal Data in such environments.

### **2.2. Structure**

Schedules 1, 2 and 3 are incorporated into and form part of this DPA. They set out the agreed subject-matter, the nature and purpose of the processing, the type of Personal Data, categories of data subjects (Schedule 1), applicable Technical and Organizational Measures (Schedule 2), and the UK addendum to the EU Standard Contractual Clauses, if applicable (Schedule 3).

### **2.3. Governance**

- 2.3.2. Customer acts as a single point of contact and shall obtain any relevant authorizations, consents and permissions for the processing of Personal Data in accordance with this DPA, including, where applicable approval by Controllers to use Qualtrics as a Processor. Where authorizations, consent, instructions or permissions are provided by Customer these are provided not only on behalf of the Customer but also on behalf of any other Controller using the Cloud Service. ### **3.2. Changes**

- 3.2.1. Qualtrics applies the Technical and Organizational Measures to Qualtrics' entire customer base hosted out of the same data center or receiving the same Cloud Service. Individual measures may be replaced by new measures that serve the same purpose without diminishing the security level protecting Personal Data.
- 3.2.2. Qualtrics will publish updated versions of the Technical and Organizational Measures at [www.qualtrics.com/terms-of-service](http://www.qualtrics.com/terms-of-service).

## **4. QUALTRICS OBLIGATIONS**

### **4.1. Instructions from Customer**

Qualtrics will process Personal Data only in accordance with documented instructions from Customer. The Agreement (including this DPA) constitutes such documented initial instructions and each use of the Cloud Service then constitutes further instructions. Qualtrics will use reasonable efforts to follow any other Customer instructions, as long as they are required by Data Protection Law, technically feasible and do not require changes to the Cloud Service. If any of the before-mentioned exceptions apply, or Qualtrics otherwise cannot comply with an instruction or is of the opinion that an instruction infringes Data Protection Law, Qualtrics will immediately notify Customer (email permitted).

### **4.2. Processing on Legal Requirement**

Qualtrics may also process Personal Data where required to do so by applicable law. In such a case, Qualtrics shall inform Customer of that legal requirement before processing unless that law prohibits such information on important grounds of public interest.

### **4.3. Personnel**

To process Personal Data, Qualtrics and its Subprocessors shall only grant access to authorized personnel who have committed themselves to confidentiality. Qualtrics and its Subprocessors will regularly train personnel having access to Personal Data in applicable data security and data privacy measures.

### **4.4. Cooperation**

- 4.4.1. At Customer's request, Qualtrics will reasonably cooperate with Customer and Controllers in dealing with requests from Data Subjects or regulatory authorities regarding Qualtrics' processing of Personal Data or any Personal Data Breach.
- 4.4.2. If Qualtrics receives a request from a Data Subject in relation to the Personal Data processing hereunder, Qualtrics will promptly notify Customer (where the Data Subject has provided information to identify the Customer) via e-mail and shall not respond to such request itself but instead ask the Data Subject to redirect its request to Customer.
- 4.4.3. In the event of a dispute with a Data Subject as it relates to Qualtrics' processing of Personal Data under this DPA, the Parties shall keep each other informed and, where appropriate, reasonably co-operate with the aim of resolving the dispute amicably with the Data Subject.
- 4.4.4. Qualtrics shall provide functionality for production systems that supports Customer's ability to correct, delete or anonymize Personal Data from a Cloud Service, or restrict its processing in line with Data Protection Law. Where such functionality is not provided, Qualtrics will correct, delete or anonymize any Personal Data, or restrict its processing, in accordance with the Customer's instruction and Data Protection Law.

### **4.5. Personal Data Breach Notification**

Qualtrics will notify Customer without undue delay after becoming aware of any Personal Data Breach and provide reasonable information in its possession to assist Customer to meet Customer's obligations to report a Personal Data Breach as required under Data Protection Law. Qualtrics may provide such information in phases as it becomes available. Such notification shall not be interpreted or construed as an admission of fault or liability by Qualtrics.

### **4.6. Data Protection Impact Assessment**

If, pursuant to Data Protection Law, Customer (or its Controllers) are required to perform a data protection impact assessment or prior consultation with a regulator, at Customer's request, Qualtrics will provide such documents as are generally available for the Cloud Service (for example, this DPA, the Agreement, audit reports and certifications). Any additional assistance shall be mutually agreed between the Parties.

## **5. DATA EXPORT AND DELETION**

### **5.1. Export and Retrieval by Customer**

During the Subscription Term and subject to the Agreement, Customer can access its Personal Data at any time. Customer may export and retrieve its Personal Data in a standard format. Export and retrieval may be subject to technical limitations, in which case Qualtrics and Customer will find a reasonable method to allow Customer access to Personal Data.

## **5.2. Deletion**

Before the Subscription Term expires, Customer may use Qualtrics' self-service export tools (as available) to perform a final export of Personal Data from the Cloud Service (which shall constitute a "return" of Personal Data). At the end of the Subscription Term, Customer hereby instructs Qualtrics to delete the Personal Data remaining on servers hosting the Cloud Service within a reasonable time period in line with Data Protection Law (not to exceed 6 months) unless applicable law requires retention.

## **6. CERTIFICATIONS AND AUDITS**

### **6.1. Customer Audit**

Customer or its independent third party auditor reasonably acceptable to Qualtrics (which shall not include any third party auditors who are either a competitor of Qualtrics or not suitably qualified or independent) may audit Qualtrics' control environment and security practices relevant to Personal Data processed by Qualtrics only if:

- a) Qualtrics has not provided sufficient evidence of its compliance with the Technical and Organizational Measures that protect the production systems of the Cloud Service through providing either: (i) a certification as to compliance with ISO 27001 or other standards (scope as defined in the certificate); or (ii) a valid ISAE3402 or ISAE3000 or other SOC1-3 attestation report. Upon Customer's request audit reports or ISO certifications are available through the third party auditor or Qualtrics;
- b) a Personal Data Breach has occurred;
- c) an audit is formally requested by Customer's data protection authority; or
- d) provided under mandatory Data Protection Law conferring Customer a direct audit right and provided that Customer shall only audit once in any 12 month period unless mandatory Data Protection Law requires more frequent audits.

### **6.2. Other Controller Audit**

Any other Controller may assume Customer's rights under Section 6.1 only if it applies directly to the Controller and such audit is permitted and coordinated by Customer. Customer shall use all reasonable means to combine audits of multiple other Controllers to avoid multiple audits unless the audit must be undertaken by the other Controller itself under Data Protection Law. If several Controllers whose Personal Data is processed by Qualtrics on the basis of the Agreement require an audit, Customer shall use all reasonable means to combine the audits and to avoid multiple audits.

### **6.3. Scope of Audit**

Customer shall provide at least 60 days advance notice of any audit unless mandatory Data Protection Law or a competent data protection authority requires shorter notice. The frequency and scope of any audits shall be mutually agreed between the parties acting reasonably and in good faith. Customer audits shall be limited in time to a maximum of 3 business days. Beyond such restrictions, the parties will use current certifications or other audit reports to avoid or minimize repetitive audits. Customer shall provide the results of any audit to Qualtrics.

### **6.4. Cost of Audits**

Customer shall bear the costs of any audit unless such audit reveals a material breach by Qualtrics of this DPA, then Qualtrics shall bear its own expenses of an audit. If an audit determines that Qualtrics has breached its obligations under the DPA, Qualtrics will promptly remedy the breach at its own cost.

## **7. SUBPROCESSORS**

### **7.1. Permitted Use**

Qualtrics is granted a general authorization to subcontract the processing of Personal Data to Subprocessors, provided that:

- a) Qualtrics or Qualtrics affiliates on its behalf shall engage Subprocessors under a written (including in electronic form) contract consistent with the terms of this DPA in relation to the Subprocessor's processing of Personal Data. Qualtrics shall be liable for any breaches by the Subprocessor in accordance with the terms of this Agreement;

- b) Qualtrics will evaluate the security, privacy and confidentiality practices of a Subprocessor prior to selection to establish that it is capable of providing the level of protection of Personal Data required by this DPA; and
- c) Qualtrics' list of Subprocessors in place on the effective date of the Agreement is published by Qualtrics at [www.qualtrics.com/subprocessor-list](http://www.qualtrics.com/subprocessor-list) or Qualtrics will make it available to Customer upon request, including the name, address and role of each Subprocessor Qualtrics uses to provide the Cloud Service.

## **7.2. New Subprocessors**

Qualtrics' use of Subprocessors is at its discretion, provided that:

- a) Qualtrics will inform Customer in advance (by email or by posting on the Cloud Service) of any intended additions or replacements to the list of Subprocessors including name, address and role of the new Subprocessor; and
- b) Customer may object to such changes as set out in Section 7.3.

## **7.3. Objections to New Subprocessors**

- 7.3.1. If Customer has a legitimate reason under Data Protection Law to object to the new Subprocessors' processing of Personal Data, Customer may terminate the Agreement (limited to the Cloud Service for which the new Subprocessor is intended to be used) on written notice to Qualtrics. Such termination shall take effect at the time determined by the Customer which shall be no later than 30 days from the date of Qualtrics' notice to Customer informing Customer of the new Subprocessor. If Customer does not terminate within this 30 day period, Customer is deemed to have accepted the new Subprocessor.
- 7.3.2. Within the 30 day period from the date of Qualtrics' notice to Customer informing Customer of the new Subprocessor, Customer may request that the parties discuss in good faith a resolution to the objection. Such discussions shall not extend the period for termination and do not affect Qualtrics' right to use the new Subprocessor(s) after the 30 day period.
- 7.3.3. Any termination under this Section 7.3 shall be deemed to be without fault by either party and shall be subject to the terms of the Agreement.

## **7.4. Emergency Replacement**

Qualtrics may replace a Subprocessor without advance notice where the reason for the change is outside of Qualtrics' reasonable control and prompt replacement is required for security or other urgent reasons. In this case, Qualtrics will inform Customer of the replacement Subprocessor as soon as possible following its appointment. Section 7.2 applies accordingly.

## **8. INTERNATIONAL PROCESSING**

### **8.1. Conditions for International Processing**

Qualtrics shall be entitled to process Personal Data, including by using Subprocessors, in accordance with this DPA outside the country in which the Customer is located as permitted under Data Protection Law.

### **8.2. Applicability of EU Standard Contractual Clauses**

Sections 8.3 to 8.6 apply in respect of a transfer (or an onward transfer) to a Third Country of Personal Data that is either subject to GDPR or to applicable Data Protection Law and where any required adequacy means under GDPR or applicable Data Protection Law can be met by entering into the EU Standard Contractual Clauses as may be amended in accordance with applicable Data Protection Law.

### **8.3. Applicability of EU Standard Contractual Clauses where Qualtrics is not located in a Third Country**

Where Qualtrics is not located in a Third Country and acts as a data exporter, Qualtrics has entered into the EU Standard Contractual Clauses with each Subprocessor as the data importer. Module 3 (Processor to Processor) of the EU Standard Contractual Clauses shall apply to such transfers.

#### **8.4. Applicability of EU Standard Contractual Clauses where Qualtrics is located in a Third Country**

8.4.1. Where Qualtrics is located in a Third Country, or in a country that otherwise requires use of the EU Standard Contractual Clauses for transfers of Personal Data to that country, Qualtrics and Customer hereby enter into the EU Standard Contractual Clauses with Customer as the data exporter and Qualtrics as the data importer as follows:

- a) Module 2 (Controller to Processor) shall apply where Customer is a Controller; and
- b) Module 3 (Processor to Processor) shall apply where Customer is a Processor. Where Customer acts as Processor under Module 3 (Processor to Processor) of the EU Standard Contractual Clauses, Qualtrics acknowledges that Customer acts as Processor under the instructions of its Controller(s).

Other Controllers or Processors whose use of the Cloud Services has been authorized by Customer under the Agreement may also enter into the EU Standard Contractual Clauses with Qualtrics in the same manner as Customer in accordance with Section 8.4.1 above. In such case, Customer enters into the EU Standard Contractual Clauses on behalf of other Controllers or Processors.

8.4.2. Where Customer is located in a Third Country and is acting as a data importer under Module 2 or Module 3 of the EU Standard Contractual Clauses and Qualtrics is acting as Customer's sub-processor, the respective data exporter shall have the following third-party beneficiary right: In the event that Customer has factually disappeared, ceased to exist in law or has become insolvent (in all cases without a successor entity that has assumed the legal obligations of the Customer by contract or by operation of law), the respective data exporter shall have the right to terminate the affected Qualtrics Service solely to the extent that the data exporter's Personal Data is processed. In such event, the respective data exporter also instructs Qualtrics to erase or return the Personal Data.

8.4.3. On request from a Data Subject, Customer may make a copy of Module 2 or 3 of the EU Standard Contractual Clauses entered into between Customer and Qualtrics (including the relevant Schedules) available to Data Subjects.

#### **8.5. Applicability of EU Standard Contractual Clauses where applicable Data Protection Law requires a variation to the EU Standard Contractual Clauses**

8.5.2. In relation to the Data Protection Act 2018 of the United Kingdom ("**UK GDPR**"), from 21 September 2022, the EU Standard Contractual Clauses shall be interpreted and construed in accordance with the Mandatory Clauses of the Approved Addendum, being the template Addendum B.1.0 issued by the ICO and laid before Parliament in accordance with s119A of UK GDPR on 2 February 2022, as it is revised under Section 18 of those Mandatory Clauses, and attached at Schedule 3 (the "**Approved Addendum**"). Schedules 1 and 2 set out the information for Part 1, Tables of the Approved Addendum.

**8.6. Relation of the Standard Contractual Clauses to the Agreement**

Nothing in the Agreement shall be construed to prevail over any conflicting clause of the EU Standard Contractual Clauses. For the avoidance of doubt, where this DPA further specifies audit and Subprocessor rules, such specifications also apply in relation to the EU Standard Contractual Clauses.

**9. DOCUMENTATION; RECORDS OF PROCESSING**

Each party is responsible for its compliance with its documentation requirements, in particular maintaining records of processing where required under Data Protection Law. Each party shall reasonably assist the other party in its documentation requirements, including providing the information the other party needs from it in a manner reasonably requested by the other party (such as using an electronic system), in order to enable the other party to comply with any obligations relating to maintaining records of processing.

## Schedule 2 Technical and Organizational Measures

This Schedule 2 applies to describe the applicable technical and organizational measures for the purposes of the EU Standard Contractual Clauses and applicable Data Protection Law.

Qualtrics will apply and maintain the Technical and Organizational Measures.

To the extent that the provisioning of the Cloud Service comprises New SCC Relevant Transfers, the Technical and Organizational Measures set out in Schedule 2 describe the measures and safeguards which have been taken to fully take into consideration the nature of the personal data and the risks involved. If local laws may affect the compliance with the clauses, this may trigger the application of additional safeguards applied during transmission and to the processing of the personal data in the country of destination (if applicable: encryption of data in transit, encryption of data at rest, anonymization, pseudonymization).

### 1. TECHNICAL AND ORGANIZATIONAL MEASURES

The following sections define Qualtrics' current technical and organizational measures. Qualtrics may change these at any time without notice so long as it maintains a comparable or better level of security. Individual measures may be replaced by new measures that serve the same purpose without diminishing the security level protecting Personal Data.

**1.1 Physical Access Control.** Unauthorized persons are prevented from gaining physical access to premises, buildings or rooms where data processing systems that process and/or use Personal Data are located.

#### Measures:

- Qualtrics protects its assets and facilities using the appropriate means based on the Qualtrics Security Policy
- In general, buildings are secured through access control systems (e.g., smart card access system).
- As a minimum requirement, the outermost entrance points of the building must be fitted with a certified key system including modern, active key management.
- Depending on the security classification, buildings, individual areas and surrounding premises may be further protected by additional measures. These include specific access profiles, video surveillance, intruder alarm systems and biometric access control systems.
- Access rights are granted to authorized persons on an individual basis according to the System and Data Access Control measures (see Section 1.2 and 1.3 below). This also applies to visitor access. Guests and visitors to Qualtrics buildings must register their names at reception and must be accompanied by authorized Qualtrics personnel.
- Qualtrics employees and external personnel must wear their ID cards at all Qualtrics locations.

#### Additional measures for Data Centers:

- All Data Centers adhere to strict security procedures enforced by guards, surveillance cameras, motion detectors, access control mechanisms and other measures to prevent equipment and Data Center facilities from being compromised. Only authorized representatives have access to systems and infrastructure within the Data Center facilities. To protect proper functionality, physical security equipment (e.g., motion sensors, cameras, etc.) undergo maintenance on a regular basis.
- Qualtrics and all third-party Data Center providers log the names and times of authorized personnel entering Qualtrics' private areas within the Data Centers.

**1.2 System Access Control.** Data processing systems used to provide the Cloud Service must be prevented from being used without authorization.

Measures:

- Multiple authorization levels are used when granting access to sensitive systems, including those storing and processing Personal Data. Authorizations are managed via defined processes according to the Qualtrics Security Policy
- All personnel access Qualtrics' systems with a unique identifier (user ID).
- Qualtrics has procedures in place so that requested authorization changes are implemented only in accordance with the Qualtrics Security Policy (for example, no rights are granted without authorization). In case personnel leaves the company, their access rights are revoked.
- Qualtrics has established a password policy that prohibits the sharing of passwords, governs responses to password disclosure, and requires passwords to be changed on a regular basis and default passwords to be altered. Personalized user IDs are assigned for authentication. All passwords must fulfill defined minimum requirements and are stored in encrypted form. In the case of domain passwords, the system forces a password change every six months in compliance with the requirements for complex passwords. Each computer has a password-protected screensaver.
- The company network is protected from the public network by firewalls.
- Qualtrics uses up-to-date antivirus software at access points to the company network (for e-mail accounts), as well as on all file servers and all workstations.
- Security patch management is implemented to provide regular and periodic deployment of relevant
- security updates. Full remote access to Qualtrics' corporate network and critical infrastructure is protected by strong authentication.

**1.3 Data Access Control.** Persons entitled to use data processing systems gain access only to the Personal Data that they have a right to access, and Personal Data must not be read, copied, modified or removed without authorization in the course of processing, use and storage.

Measures:

- As part of the Qualtrics Security Policy, Personal Data requires at least the same protection level as "confidential" information according to the Qualtrics Information Classification standard.
- Access to Personal Data is granted on a need-to-know basis. Personnel have access to the information that they require in order to fulfill their duty. Qualtrics uses authorization concepts that document grant processes and assigned roles per account (user ID). All Customer Data is protected in accordance with the Qualtrics Security Policy.
- All production servers are operated in the Data Centers or in secure server rooms. Security measures that protect applications processing Personal Data are regularly checked. To this end, Qualtrics conducts internal and external security checks and penetration tests on its IT systems.
- An Qualtrics security standard governs how data and data carriers are deleted or destroyed once they are no longer required.

**1.4 Data Transmission Control.** Except as necessary for the provision of the Cloud Services in accordance with the Agreement, Personal Data must not be read, copied, modified or removed without authorization during transfer. Where data carriers are physically transported, adequate measures are implemented at Qualtrics to provide the agreed-upon service levels (for example, encryption and lead-lined containers).

Measures:

- Personal Data in transfer over Qualtrics internal networks is protected according to Qualtrics Security Policy.
- When data is transferred between Qualtrics and its customers, the protection measures for the transferred Personal Data are mutually agreed upon and made part of the relevant agreement. This applies to both physical and network based data transfer. In any case, the Customer

assumes responsibility for any data transfer once it is outside of Qualtrics-controlled systems (e.g. data being transmitted outside the firewall of the Qualtrics Data Center).

**1.5 Data Input Control.** It will be possible to retrospectively examine and establish whether and by whom Personal Data have been entered, modified or removed from Qualtrics data processing systems.

Measures:

- Qualtrics only allows authorized personnel to access Personal Data as required in the course of their duty.
- Qualtrics has implemented a logging system for input, modification and deletion, or blocking of Personal Data by Qualtrics or its subprocessors within the Cloud Service to the extent technically possible.

**1.6 Job Control.** Personal Data being processed on commission (i.e., Personal Data processed on a customer's behalf) is processed solely in accordance with the Agreement and related instructions of the customer.

Measures:

- Qualtrics uses controls and processes to monitor compliance with contracts between Qualtrics and its customers, subprocessors or other service providers.
- As part of the Qualtrics Security Policy, Personal Data requires at least the same protection level as "confidential" information according to the Qualtrics Information Classification standard.
- All Qualtrics employees and contractual subprocessors or other service providers are contractually bound to respect the confidentiality of all sensitive information including trade secrets of Qualtrics customers and partners.

**1.7 Availability Control.** Personal Data will be protected against accidental or unauthorized destruction or loss.

Measures:

- Qualtrics employs regular backup processes to provide restoration of business-critical systems as and when necessary.
- Qualtrics uses uninterrupted power supplies (for example: UPS, batteries, generators, etc.) to protect power availability to the Data Centers.
- Qualtrics has defined business contingency plans for business-critical processes and may offer disaster recovery strategies for business critical Services as further set out in the Documentation or incorporated into the Order Form for the relevant Cloud Service.
- Emergency processes and systems are regularly tested.

**1.8 Data Separation Control.**

Measures:

- Qualtrics uses the technical capabilities of the deployed software (for example: multi-tenancy, system landscapes) to achieve data separation among Personal Data originating from multiple customers.
- Customer (including its Controllers) has access only to its own data.

**1.9 Data Integrity Control.** Personal Data will remain intact, complete and current during processing activities.

Measures:

Qualtrics has implemented a multi-layered defense strategy as a protection against unauthorized modifications.

In particular, Qualtrics uses the following to implement the control and measure sections described above:

- Firewalls;
- Security Monitoring Center;
- Antivirus software;
- Backup and recovery;
- External and internal penetration testing;
- Regular external audits to prove security measures.
